

Information for the Stipendium Hungaricum Students of Budapest University of Technology and Economics

Medical call centre day and night*

+36 1 461 15 26

Stipendium Hungaricum Students can make a phone call every day of the year, 24 hours, and can discuss their medical problem with a practicing doctor:

- on the availability of medical services, pharmacies, medical institutions
- about health and disease,
- on healthy nutrition,
- about healthy lifestyle and prevention,
- on diagnosis and treatment requests,
- on medicines, their effects, side effects, applicability, interactions and substitutability,
- time coordination.

In case of a medical problem:

first step:

calling **+36 1 461 1526**

identifying yourself (name, birth date, education ID, neptun ID)

brief description of your medical problem

telephone consultation with a doctor

getting the doctor's name, address and the date and time of your appointment

second step:

on-site appearance at the doctor

identifying yourself with your residence permit or passport (student ID is not acceptable)

You don't have to pay for the medical examination. The insurance company UNIQA Insurance Co. and the service provider Advance Medical Hungary Ltd will settle the bill, except for the following services:

- Medical device (upon doctor's prescription) cost reimbursement
- Medicine, bandage (upon doctor's prescription) cost reimbursement
- Emergency care/on-call duty cost reimbursement

All of the above cases, the student pre-finances the costs and subsequently sent to the insured person's name is issued for the original bill, a copy of the medical documents, and the bank account number for Advance Medical Hungary Kft. Post address 1092 Budapest Köztelek utca 6.

*The utilization of medical hotline and the information received there cannot substitute the personal medical examination of the patient, thus UNIQA Insurance Co. shall not be responsible for any consequence or claim arising due to the sole consideration of the phone consultancy or the skip of the personal medical examination.
